

# MONEY COLLECTION BOX

## INSTRUCTIONS

1. Print this sheet on a thick piece of paper or card, then cut around the dashed lines. Don't forget to cut the slot in the top.
2. Fold along the dotted lines, then apply glue to the tabs labelled 'stick here' and assemble the box.
3. Finally slot the tab labelled 'tuck in' into your box and you're ready to go.

**TIP**  
Why not print this on an A3 sheet to make an even bigger box!

**TIP**  
Remember to cut the slot before you stick the box together.
