Leap of Faith!

Fundraising Information

Online Giving Page

The first step to fundraising for Leap of Faith! is to set up an online giving page to enable you to collect donations from friends, family and all your contacts. We have Leap of Faith! campaigns on the online fundraising platforms listed below. From the campaign page you can then set up your own fundraising page. Your personal fundraising achievement will be rolled up for display in an overall Leap of Faith! target on the campaign page.

Other fundraising activities

If you are planning to boost your fundraising by having a bake sale, coffee morning or another activity before the abseil please read our [Fundraising Legal Guidelines](#) first. If you would like information leaflets and other resources such as collection buckets, please contact hilary.long@genesistrust.org.uk

Social media

Please use social media to promote your fundraising efforts with our [handy guide](#). The online giving platforms all enable you to do this easily by email.
